Dear Sir:

PRELIMINARY AMENDMENT

Prior to examination of the above-identified application for patent, Applicant requests that the application be amended as follows:

In the Claims:

Please amend the claims as follows. A marked-up copy of the amended claims is attached as Exhibit A.

1. (AMENDED) A telecommunication apparatus having a radio interface, a controller, a memory, an input device and an output device, the controller being arranged to provide a man-machine interface to a user through the input and output devices, the memory comprising a phonebook capable
